*Fathers*

The Bible uses the word *father* in three ways:

- *Our Father who art in heaven, hallowed be thy name (Matt. 6:9)* is a direct reference to God;
- *I am the God of thy fathers (Acts 7:32)* refers to ancestors;
- *Therefore shall a man leave his father and mother (Gen. 2:24)* denotes the man who is our earthly parent.

With today being the annual observance of Father’s Day, we will focus our discussion upon our earthly fathers.

The ideal father is the man who loves God with all he has (**Matt. 22:37**), loves his wife as Christ loved the church and gave Himself for it (**Eph. 5:25**), and brings up his children in the nurture and admonition of the Lord (**Eph. 6:4**). He provides his family with a proper example of godliness in the life he leads. He is a loving, faithful spouse to the mother of his children. He administers the necessary discipline and provides instruction to help his children to grow up to be faithful Christians who will, in turn, be good parents.

*(Continued next page)*

Today is the third Sunday of June, the day set aside for us to honor our fathers in a similar fashion to Mother's Day last month. If you are fortunate to still have your father, be sure to let him know today how much you appreciate the good things he has done with and for you during your life. Even if he is a man who is not outwardly affectionate, he still needs to know he is appreciated. Enjoy this Father's Day, and may God bless our families with more Godly fathers.

### MEMORY VERSE - 1 John 4:7

*Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God.*
