## Remember When?

Most of us have seen many changes during our lives – some for the better, but others not so good. It is fun thinking back to our childhood days and wondering what happened. Remember when...

- We actually liked to go outside in the snow and cold air?
- We could buy a big candy bar for a nickel?
- The price of gas was less than twenty-five cents a gallon?
- The Fourth of July was more than picnics and fireworks?
- We felt safe to be out after dark?
- People left their cars running while they went into the store?
- We could pick up empty soft drink bottles and turn them in for money?
- The name of God was revered by nearly all people?
- Our government was proud to have "In God We Trust" on our money?
- We began each day of school with Bible reading and prayer?

Sadly, those days have nearly disappeared in life's rearview mirror, but the really sad reality is that many in our country would like to erase them from memory. There are now celebrations of activities that God's word says are abominable to Him. More and more people are intolerant of those who believe in God, Jesus, and the Bible.

But there will be a day of reckoning. It may not come during our lifetime, but it certainly will come at the end of time. The word of God proclaims *...for we will all stand before the judgment seat of Christ... every knee shall bow to me, and every tongue shall confess to God. So then every one of us shall give account to God (Rom. 14:10-12)*. At that time we will all remember when we either did or did not do what God commanded (**Matt. 25:31ff**). And, at that time, it will be too late to turn to God because our eternal destinies will have been decided. Let us not put off remembering what God has said until it is too late for us.

*And these words which I command you today shall be in your heart...*

(NKJ)

*Smile and Silence  
are two powerful tools.  
Smile is the way to solve  
many problems.  
And Silence is the way to  
avoid many problems.*
